4TH QUARTER

END OF YEAR HIGHLIGHTS

HONOR ROLL

From the Desk of the Principal - Mrs. Barrett

Students, Parents, and Staff:

Thank you for another wonderful and productive school year. I can't thank everyone enough for your endless hours of doing whatever was necessary to support students—both at home and at school. That experience could not occur without the

endless energy, skills and devotion of the Hamburg Community School District Staff. Thanks and well done to an incredible group of professionals.

Just a quick reminder, we are offering summer school during the month of June. If you are interested, please call the school at 712-382-2017 and get your child's name on the list.

A final word to our Hamburg students: Thank you for all your hard work throughout the school year. I am so honored to be your principal; you make me proud to be a Hamburg Wildcat. You keep me laughing and young at heart. Best wishes to our graduating eighth graders. I hope everyone has a safe and happy summer break.

Congratulations to Kris Williams on her retirement! Thank you for the many years of service you have given to our school. You will be greatly missed

From the Front Office:

Myah's favorite part of third grade was spending time with Mrs. Fann.

Taryn's favorite part of third grade was EVERYTHING, especially TeamMates and the zoo!

Ella's favorite part of third grade was EVERYTHING, especially embroidery!

Landon's favorite part of third grade was the zoo, Mrs. Fann, minute readings, and computer time.

Jay's favorite part was EVERYTHING, especially meeting new classmates!

Eden's favorite part was having fun.

Spencer's favorite part of third grade was the computer time.

Shaye's favorite part of third grade was the pumpkin patch, TeamMates, and Mrs. Fann.

Carysn's favorite part of third grade was computer time and the pumpkin patch.

Zach's favorite part of third grade was EVERYTHING, especially the zoo!

Callie's favorite part of third grade was EVERYTHING, especially hanging my pictures on Mrs. Fann's bulletin board!

Emily's favorite part of third grade was getting to learn!

PE Fun Day!

Zoo Trip

4th Grade - Mrs. Duncan

One of my favorite 4th grade memories is when I hit the ball into Miss Duncan's phone out of her hand. Then one of my other favorites is when we went to the Zoo. Some of my favorite 4th grade memories are when we went to the gym and there were a lot of people there; but it was fun.

Another one of my favorite 4th grade memories is when Mrs. Duncan gave us ice cream.

Callan McCollough

My favorite memories are when we get to play dodgeball when it is raining or too cold. At lunch one time, Mathew and Sam took apart a corn dog and said, "Here is a cut-up corn dog from Walmart." Also Mrs. Duncan's birthday was fun. Mrs. Duncan is the best.

Leland Casteel

Some favorite 4th grade memories are when we went to the zoo and saw the animals. Also when we made our first comic. Also the state fair, but it hasn't happened yet. Also the time Callan made Mrs. Duncan drop her phone with the four square ball.

Sam Flowers

My favorite 4th grade memory was when I farted as loud as I could. Mrs. Duncan said if you did that again you are going to go in the hall. Everybody laughed and Mrs. Duncan smiled too.

Cash Jones

Here are some of my favorite 4th grade memories. When Callan hit Mrs. Duncan's phone out of her hands. One I also liked was when I made a hoop from half court. One was also when I hit Matthew in the face with a dodgeball. One was also when we went to the zoo. One was when Sam couldn't remember a memory.

Samuel Staley

My favorite 4th grade memory is when Callan threw the 4 square ball and it knocked Mrs. Duncan's phone out of her hand. Another one is when Mrs. Duncan lets us run up to the board to answer the Think Central questions. Another one is when we got to draw with chalk in P.E. Another one is when on her birthday she gave us ice cream and this cookie stuff. I will really miss Mrs. Duncan.

Bryn Dechant

My favorite 4th grade memories are when we went to the zoo. We are working on the state fair now. I am going to miss 4th grade. The teacher made it fun for the class. She is the best. She lets us move seats. It was really fun at the zoo. Mrs. Duncan made it fun at the zoo. I will miss my teacher next year.

Laynee Ashlock

I was numb and got my picture. It felt weird. We also had the movie. That day was fun. We had a good memory. It was fun.

Benny Jurey

4th Grade - Mrs. Duncan

My favorite fourth grade memory was making up a new sport with Cash, Graysin, and Matthew. Another memory was when I got 50 AR points. This was amazing because I was the first one to get to 50 points. Another great memory was getting 100 points.

Kyler Lahmon

One memory I have from 4th grade is when Benny came back from the dentist and was drooling everywhere. Another one was just yesterday when Callan threw the ball in 4 Square and Mrs. Duncan's phone flew. Also when Cash farted in the middle of class and it smelt really bad. I will really miss 4th grade.

Mia O'Barsky

Some 4th grade memories are when Mrs. Duncan's phone got knocked out of hand by a ball. Another thing that was funny was when Callan went sliding in PE. When we were playing baseball, I went sliding on the ground and no one could hit me.

Matthew Pratt

One of my favorite fourth grade memories is when Cash farted in the middle of class and Mrs. Duncan got mad. The second one is when we watched a movie in the gym. My third favorite memory is when Mrs. Duncan brought snacks for math. My fourth favorite memory is when we watched Bill Nye the Science Guy.

Graysin Racine

My favorite 4th grade memory is when Callan knocked Mrs. Duncan's phone out of her hand with the 4 square ball. We had a great time when we went to the zoo. When Mrs. Duncan let us have ice cream for her birthday was a good time. That's probably the best memory. Another memory was when we were playing dodgeball one day somebody got hit on the head.

Anjayleigh Ward

One of my favorite memories was when Mrs. Duncan said the tv's might be loud. I would think, "Oh, they are not going to be loud, and I put my head down and it's SUPER loud and I jumped up. Another one was on Mrs. Duncan's birthday. She went out of the room and we planned to sing happy birthday to her. I loved 4th grade. I will miss you Mrs. Duncan.

Kowa White

Oh, my goodness, where to start? This class has been a ton of fun to teach. They are always eager to learn and really have a love of learning. Some memories from this year include: A pool party to start off the year. Vala's Pumpkin Patch was a really fun trip. We each got our own little pumpkins and got to take a hayrack ride. The Halloween party with our parade of costumes and Trick-or-Trunk in the gym was fun. We were able to bake our own loaves of bread in November when the ladies from the Extention Office came down. In December we read A Christmas Carol and then watched the movie. We were also able to go to the movie theater and watch the movie Sing II. Singing "Crocodile Rock" and "Can't Stop the Feeling" during the spring concert was a blast. In May, we took an all school field trip to the zoo. We had the air- conditioned bus, but it didn't keep up, so Dr. Wells bought us all ice cream after we got home. To end the year, we had a PE fun day where we got to play on giant waterslides and bounce houses. We had a wonderful year in

2021-2022!

Mrs. Duncan

5th Grade - Mr. Peters

5th Graders were asked what they wanted to accomplish this summer. Here are there answers.

Kayla McIntosh- Bump up my Math and Social Studies grade by staying home and studying.

Kullen Ward- I want to go fishing and I want to jump a ditch with a four-wheeler.

Taytin Tiemeyer- This summer I want to get a new four-wheeler battery and go to the pool so I can hang out with my friends.

Larry Beyer- This summer I want to go to a mud bog. I also want t o drive my Dad's Highlifter.

Raiden Swolley- I want to go camping with my family and learn how to swim.

Jaraiya Thompson- This summer I want to go to the pool and eat a burrito.

Cayden Hinds- This summer I am going to work with my Dad and spend time with Andrea and my Dad.

Jozie Parmer- I want to win softball games and swim meets.

Gunner Trosper- My goal is to get friends that are real friends and have my brothers be nice to me.

Konnor Ward- This summer I hope to get a six pack. I also want to be able to do a flip on my trampoline.

Marley Eyman- This summer I want to learn how to draw better and how to teach my baby cousin to talk.

Remington Gardner- This summer I want to get a dirt bike and play with my friends.

Trace Porter- I want to ride my dirt bike and hang out with Taytin and go to the pool.

SUMMER

5 Summer Reading Tips for Success

From Proud to be Primary

Summer Reading Tip 1: Choose the Right Books

Choosing the right books is essential for creating interest. Allow children to express their likes and seek out books that suit their interests. Keeping interest up is vital for ensuring success in the summer.

Parents can help guide children to choose books that are at their "just right" reading level. A variety of books on different genres, themes, and topics will help keep interest up. Having lots of different options for sources and types of books is important.

Summer Reading Tip 2: Find the Right Books

The library is my favorite source of books for children. It puts books into the hands of children, you can come as often as you like, and it is entirely free. Most locations in North America have libraries with tons of current and popular literature for children. Librarians are an excellent source of knowledge and can help guide families in choosing the best books for their children. Most libraries offer events for children in the summer, such as weekly storytime. They may also provide free summer reading programs that encourage children to read and keep track for different incentives and prizes.

1. Summer is Here by Heidi Gray
2. The Day the Crayons Quit by Oliver Jeffers
3. The Book with No Pictures by B.J. Novak
4. Where the Wild Things Are by Maurice Sendak
5. My Book About Me by Dr. Seuss & Roy McKie
6. The Most Magnificent Thing by Ashley Spires
7. Should I Share My Ice Cream? (Elephant & Piggies) by Mo Willems
8. Pete the Cat and His Magic Sunglasses by James Dean
9. The Snail and the Whale by Julia Donaldson
10. Bugs A to Z by Caroline Lawton
11. Beach Day by Karen Roosa
12. How I Spent my Summer Vacation by Mark Teague

Resource - Mrs. Owen

Summer Reading Tip 3: Set a Reading Goal

Just like anything you want to accomplish, it is beneficial to set a goal beforehand. Goals help us stay on task and think of a plan to achieve our goal. Encourage children to set a goal for summer reading. It could be how many books they read each day, for how long they read, or perhaps to read a certain number of books by the end of summer vacation. Maybe the goal is more about reading different types of books, learning new things, or improving reading ability. The summer reading booklet below includes an area to record a goal. Children are also encouraged to complete different tasks, read in different locations, and read a total of 100 books.

I recommend making a plan as a family to have a set time or length of time each day for quiet reading, perhaps for the entire family. Locations can change to keep it exciting and fun.

Summer Reading Tip 4: Make Reading Fun

Making reading FUN is so essential for success. If children are enjoying themselves, they will see reading as less of a school task to complete and more like something they LOVE to do.

Create FUN with locations that are new and different from the usual spots. Allow children to read in places that they usually wouldn't. Let them go outside and read in the grass. Afterward, let them build forts and read under a blanket with a flashlight. Let them bring books along or have ebooks on a tablet during a trip.

Create FUN with reading games and activities to go with stories. Let them invite friends over and have a reading party with popcorn and music. Let them watch a movie version of a book after they have finished reading it.

Create FUN with reading incentives. Encourage and challenge children to complete the activities (tasks and bucket list) and keep track of how many books they read in their reading booklet. Let them decorate their booklet with stickers and markers. When they complete a certain number, offer them a special treat or a new book of their choice from the book store.

Summer Reading Tip 5: Kids Keep Track

Let kids keep track of their reading. Give children responsibility and ownership of their reading with the free summer reading booklet. Check-in with them to see how they are doing and provide encouragement and reminders as necessary as summer goes on.

Middle School SPED - Mrs. Hazelwood

Summer reading is important for students of all ages. Some of the benefits of summer reading are improved reading skills, slowed summer learning loss, and improved self-esteem. Use a summer reading challenge to help motivate your child to read.

Summer Reading Challenge

- ☐ A book that a friend has read
- ☐ A book that has a color in the title
- ☐ A book you can read with a friend
- ☐ A book whose cover you like
- ☐ A comic book
- ☐ A book published this year
- ☐ A book that takes place in another world
- ☐ A book about a historic event
- ☐ A book with poems in it

Middle School Science - Miss Martin

It has been an honor to be able to serve The Hamburg Community School District over the past 5 years. I was able to call this beautiful community home for many years, and that is because of all the great people that live and work here. This community has helped me grow as a person and has allowed me to explore a different way of life. I have been able to meet some incredible human beings and teach such wonderful students.

Hamburg will always be my first midwest home and I am so thankful for that. Thank you to everyone who has helped guide me through life and thank you to everyone who has shown kindness to this "Cali Girl." I wish you all the best and I can't wait to see what the future holds for this amazing community.

Some of my favorite memories:

1. Trekking through Washington, DC with middle school students.
2. All my shark, octopus and bat dissections because it allowed my students to engage in exploration.
3. Makerspace: T.V. and Recording - Those videos are forever archived in my heart.
4. P.E. Fun Days/C.C. Science Fair and Math Nights
5. All my trainings I got to go on- Colorado, Kansas, Las Vegas
6. Teaching Medical Detectives and 3D printing
7. Being able to work with all the teachers and all grades throughout the years.
8. The endless opportunities we had for field trips: the zoo, rock climbing, skate parks, The Orpheum with Middle school students and many more.

There are so many more memories and student/staff conversations that I will cherish forever. Thank you for an amazing teaching experience!

Sincerely,
Miss Martin

*Thank!
You!*

Middle School Math and History - Mr. Hendrickson

Thank you for welcoming me back to Hamburg this year. I count myself as very grateful to be able to return to the same district that I graduated from. The students and staff have been wonderful and we have had a great year. I look forward to seeing everyone next August.

Have a great summer!

'TIL YOU CAN'T became a favorite song of the middle school students this year. If you walked by the English classroom, chances are you probably saw this video playing. Students engaged in writing, grammar, poetry, and story telling thanks to Cody Johnson's hit song. Without going into a sappy story about our many moments, the kids and I leave you this: If you've gotta dream, chase it.

'TIL YOU CAN'T

BY: Cody Johnson

You can tell your old man

You'll do some largemouth fishing another time

You just got too much on your plate to bait and cast a line

You can always put a rain check in his hand

'Til you can't

You can keep putting off forever with that girl who's heart you hold

Swearing that you'll ask some day further down the road

You can always put a diamond on her hand

'Til you can't

If you got a chance, take it, take it while you got a chance

If you got a dream, chase it, 'cause a dream won't chase you back

If you're gonna love somebody

Hold 'em as long and as strong and as close as you can

Til you can't

There's a box of greasy parts sitting in the trunk of that '65

Still waiting on you and your granddad to bring it back to life

You can always get around to fixing up that Pontiac

'Til you can't

If you got a chance, take it, take it while you got a chance

If you got a dream, chase it, 'cause a dream won't chase you back

If you're gonna love somebody

Hold 'em as long and as strong and as close as you can

'Til you can't

English - Mrs. Dovel

So take that phone call from your momma and just talk away
'Cause you'll never know how bad you wanna 'til you can't someday
Don't wait on tomorrow 'cause tomorrow may not show
Say your sorries, your I-love-yous, 'cause man you never know
If you got a chance, take it, take it while you got a chance
If you got a dream, chase it, 'cause a dream won't chase you back
If you're gonna love somebody
Hold 'em as long and as strong and as close as you can
'Til you can't
Yeah, if you got a chance, take it (take it), take it while you got a chance
If you got a dream, chase it, 'cause a dream won't chase you back
If you're gonna love somebody
Hold 'em as long and as strong and as close as you can
Until you can't
'Til you can't
Yeah, take it

GREAT STUFF from THIS SCHOOL YEAR

By: Mrs. Dovel

1. Student secretaries who organize. They are lifesavers!
2. Strong boys who open the diffuser lid. Orange cream made the classroom smell so good!
3. Students who make us all laugh!
4. Funny stories the littles share.
5. All the hugs. So sweet.
6. Singing songs with students like we are contestants on THE VOICE. "La, La, La, La, La, La."
7. Eating lunch with the kids and having great conversations.
8. Hearing Ely say, "Chicken wings."
9. Students decorating for birthdays.
10. 120 mini donuts for breakfast.
11. Hearing kids say, "Peace, Love, and America" when they leave the gym.
12. Yo-Yo contests.
13. The brave girls who tackle the classroom closet!
14. Water and ice boys and their reminder, hydration is important!

Printmaking is the art of transferring an image from one surface to another with ink or paint. This can lead to multiple or singular prints that have the appearance of amazing texture. Roy Lichtenstein was a famous sculptor, painter and printmaker. We associate him with the pop art movement of the 1950's and 60's.

ROY LICHTENSTEIN (1923-1997) SANDWICH AND A SODA (1964)

Hamburg students enjoyed making prints in a variety of ways. Here are some styrofoam prints and gelli-plate prints.

Our spring concert was on May 5th. Everyone did an excellent job, and I am very proud of all of you.

The fourth graders have been working very hard on recorder karate and several were able to earn the black belt. Laynee Ashlook, Bryn Dechant, Greysin Racine, Benny Jurey, A.J. Ward, and Kowa White all earned the black belt. If I have forgotten anyone, I apologize.

Finally, May 25th will be my last day of teaching at Hamburg. Thank you all for an amazing two years and for all the experiences that went with it. Everyone has helped me learn and grow and I can't thank everyone enough. I wish you all the best and I can't wait to see what the future holds for you.

Non-discrimination Policy

It is the policy of the Hamburg Community School District not to illegally discriminate on the basis of race, color, national origin, sex, disability, religion, creed, age (for employment), marital status (for programs), sexual orientation, gender identity and socioeconomic status (for programs) in its educational programs and its employment practices. There is a grievance procedure for processing complaints of discrimination. If you have questions or a grievance related to this policy please contact the district's Equity Coordinator, Dr. Mike Wells, 309 "S" Street, Hamburg, IA, 712-382-2703, mwells@hamburgcsd.org.

Statement of Assurance Related to Highly Qualified Teacher Assignments

If, due to circumstances out of the districts control, a substitute or replacement teacher will be assigned to your students classroom or class for a period of time of four or more consecutive weeks and that teacher is not highly qualified in accordance with federal and state laws then the district will notify you of the situation. It is the intention of the Hamburg Community School District to provide 'highly qualified' teachers in all areas to the best of the district's ability throughout the school year. Hamburg: Parents or guardians may request this information from the Office of the Superintendent by calling 382-2017 or sending a letter of request to Office of the Superintendent, 309 "S" Street, Hamburg, Iowa 51640.
