

## International Walk to School Day

Wednesday, October 2, 2024

Students should be at the City Park by 7:40 a.m. If your child rides the bus, they will be picked up at their usual time and dropped off at the park. We will be walking from the park to the school. We are inviting parents, community members and friends to walk with students - older students can pair up with younger ones. Please be at the park by 7:40 a.m. It may be chilly so please dress your child accordingly.

***\*\*If it is raining in the morning, we will not meet at the city park. We will start the day off as we normally would.***

***We will then plan a walking activity for the afternoon. \*\****

Thank you!
